WHO WE ARE

Unbound is an international development organization founded by lay Catholics and grounded in the Gospel call to put the needs of the marginalized and vulnerable first. We build relationships of mutual respect that bridge cultural, economic and religious divides. We work side by side with people of diverse faith traditions in Latin America, Asia and Africa.

HOW WE WORK

We believe the surest path out of poverty is a self-directed one. Sponsored individuals and families use your support to work toward goals like education, dignified housing, better nutrition and developing livelihoods. Mothers lead the way in our programs through active participation in small groups. From accessing microloans to starting small businesses and forming their own credit cooperatives, mothers are creating paths to self-sufficiency for their families.

HIGHLY RATED STEWARDSHIP

Unbound receives top ratings from independent charity evaluators. This demonstrates the work we put into solid financial stewardship. Visit unbound.org/financials for details.
